Sir,

With reference to Government order no 379-80 Jud 524-06-2 of the 13th July 1907 Sanctioning the retention of Kolkar at Birur for one year (up to end of July 1907) and observing that his entertainment on a permanent footing would be considered after the income from octroi and the finances of the Municipality is generally improved, I have the honor to state that the order in question was communicated to the Amildar of Kadur, for information and guidance on the 17th July 1907 the Amildar who should, on receipt of this order have dispensed with the

the Kolkar's Services or if his Services was required to be Continued. I accordingly in the matter, failed to take any such action He continued to keep on the Kolkar and in December 1907, he made a reference to this office stating that the Kolkar had not been paid his pay since July 1907, owing to absence of instructions from the Comptroller. He was thereupon asked to explain why he allowed the Kolkar to continue in his place when the Government had ordered his Services to be dispensed with from 1st July 1907. His explanation is to the effect that as provision had been made for the Kolkar's pay in the Budget and it was being sanctioned from year to year by Government and as one of the officials thrown out of the Sayar Establishment had been appointed for the place by the Deputy Commissioner, he kept on the man so appointed by the Deputy Commissioner in the office It must be said that the explanation of the Amildar is not quite satisfactory

As has been already represented in this office letter No: 715 dated 23-5-07, the Services of a Kolkar are

are absolutely necessary for the collection of octroi in the Burra town, as there is no other establishment which could be deputed for this work in the town. It is under consideration to increase the octroi establishment by the appointment of extra men to keep guard at the different entrances to the town, as the only means of preventing the smuggling which goes on largely in the place and which accounts for the very low octroi collections. In these circumstances I beg to submit that the abolition of even the Sangle octroi Kolkar that has been employed up to now would have been attended with disastrous results and tended to bring down the collections under this head much lower than the present figure. I therefore beg that Government may be pleased to accord sanction for the disbursement of the Kolkar's pay for 1907-08, during which he was continued to be entertained under the circumstances above explained, the charge being met from the provision made therefor in the current year's Budget.

I also request that

that for the reasons above given Sanction may be accorded for the retrenchment of the Kolkar permanently. The necessary provision for her pay for the ensuing year has been made in the Budget for the year which has been Sanctioned by Government in their order No 11157-65 dated 1st May 08 in No 480-07-2

I have the honor to be,
Sir,
